INDIO is the new buzz word in the event planning industry...

INDIO offers formal couple's dance instruction, followed by a high-energy DJ dance party!

INDIO can be booked 'Self-Contained' with all audio and lighting for 'turn-key' packages; or 'Teched', where the client provides audio and lighting, thereby dramatically reducing cost.

INDIO and his dancers provide themed costuming for each musical genre.

INDIO can be booked with just one dancer, with another costumed couple, or with two costumed couples that will assist with dance instruction, and perform as 'Party Motivators' during the 'DJ Dance Party' afterwards. INDIO and his dancers will have your guests on their feet!

Please see Reverse Side of flyer for description of Packages / Services.
